Evergreen Youth Protection

In our diligence toward protecting our children & youth, we require that a background check and training needs renewed or completed for the first time. If you are currently working with youth or would like to be cleared to do so; please go to www.ncsrisk.org/adventist and log into your account or create one for a 30-minute training video and 25 question quiz taking about an hour. A FREE background check needs to be filling in once and it is updated every 2 years with your SS & DL numbers. We thank you for wanting to volunteer to care for our youth.
