Each of Us Is Needed - “We're stronger together than we are as separate parts, and how God knits us together as the body of Christ. God has given each person and department specific gifts, roles which function in the body of Christ. The Bible says, each part, each individual is needed and we all make an impact as we work together. We are all here at the direction and the guidance and placement of God. And each of us has a specific role to play as we serve “together in mission.”— *G. Alexander Bryant, North American Division president, during NAD staff morning worship on July 13, 2022*
