Wonder, and Be Astonished - "Heaven and earth are no wider apart today than when shepherds listened to the angels' song. Humanity is still as much the object of heaven's solicitude as when common men of common occupations met angels at noonday and talked with the heavenly messengers in the vineyards and the fields. To us in the common walk of life, heaven may be extremely near. Angels from the courts above will attend the steps of those who come and go at God's command. ... God gave His only begotten Son, that the path of life might be made sure for our little ones. ... Wonder, O heavens! and be astonished, O earth!" — *Ellen G. White, The Desire of Ages, pp. 48, 49*

During This Season - We pray that we do not all get so wrapped up in our gift-giving that we forget the One that this season is all about, *Jesus Christ*. He needs to be at the top of our Christmas gift-giving list. He wants every one of His children to give Him all their hearts.
