Band of Brothers – tomorrow, 4/2 from 1-3 PM. We'll have a light lunch and will continue part 2 of our character study on **"Humility"**. *"How good and pleasant it is when God's people live together in unity!"* Psalm 133:1

No Need of Fear - "When the tempests of temptation gather, and the fierce lightnings flash, and the waves sweep over us, we battle with the storm alone, forgetting that there is One who can help us. ... He never fails to give us the help we need. Whether on the land or on the sea, if we have the Savior in our hearts, there is no need of fear. Living faith in the Redeemer will smooth the sea of life." — *Ellen G. White, The Desire of Ages, p. 336*

Origin of April Fools' Day - dates back to 1582, when France switched from the Julian calendar to the Gregorian calendar, as called for by the Council of Trent in 1563. In the Julian Calendar, as in the Hindu calendar, the new year began with the spring equinox around April 1. People who were slow to get the news or failed to recognize that the start of the new year had moved to January 1 and continued to celebrate it during the last week of March through April 1 became the butt of jokes and hoaxes and were called "April fools." These pranks included having paper fish placed on their backs and being referred to as "poisson d'avril" (April fish), said to symbolize a young, easily caught fish and a gullible person.

April Birthday Celebrations – **Harold Hrabowy** - 2nd, **Amartisan Dessalegn Negeri** – 4th, **Corina Kolman & Lori Sitch** – 7th, **Mark Ames Jr.**- 22nd, **Dennis Martinez** – 28th. Happy day to one and all and may God richly bless you.
