**We have all been there** — we said something without thinking, and we hurt someone in the process. Careless words can really hurt our loved ones & friends. This is why it is important to be conscious of our words as well as to be intentional with our words. “Gracious words are a honeycomb, sweet to the soul and healing to the bones.” **Proverbs 16:24**

**In which book of the Bible is this verse found?** “The eyes of the LORD, run to and fro through the whole earth.” See the back cover for the answer,
