That love -- true love -- can come only from God, for he is the only source of unconditional love. As followers of Christ, we are instructed to let God's love flow through us to the world: "A new command I give you: Love one another. As I have loved you, so you must love one another" (**John 13:34**). You are to love others as God loves you. However, if you do not know how much God loves you, then you cannot love one another. **Leviticus 19:18** says, "Love your neighbor as yourself." Again, if you do not have love in you (for yourself and for God), then you cannot love others. So, if you are having trouble loving others, it is probably because you do not know how much God loves you.
