Funding Adventist Worldwide Movement – *Bulletin series, Part 3 – Local Conference Level January 31, 2024, | Columbia, Md. | by Randy Robinson*. The local conference is the main employer in church structure. It employs frontline workers, comprised mostly of pastors, schoolteachers, and support staff. Because the conference is the “boots on the ground” level of the structure, it rightfully receives the largest share of tithe resources. Because times change, the distribution has also changed. In the 1980s the policies of the church in North America distributed the tithe as follows: 10 percent to unions, 20% to division, and GC, approximately 10% for retirees (defined benefit pension plan), and the balance of 60% to the local conference. Latest (2023) it is 9% to unions, 13.5% to division and GC, 11.4% for retirement (*now frozen*) and 1% for a conference special assistance fund (*assists less financially stable conferences*) The balance of 65.1% stays at the local conference. After considering all the outflow and backflow of tithe funds, in the end, on average the local conference ends up benefiting from about 83% of the original tithe dollar, and the union, division, and GC end up sharing about 17%. *Continued next Sabbath.*

Bible Trivia – How many times a day was Daniel in the habit of praying to God? **A: 3, B: 5, C: 7 or D: 9** times. See **Daniel 6:10** for the answer.

Birthday Wishes - Lynn Dunn - Today, Donna Moore - 22nd Emily Martinez - 27th & Cheryl Brink – 28th.

“**Love is patient**, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres.” — *1 Corinthians 13:4-7, NIV.*
