**Funding Adventist Worldwide Movement** – *Bulletin series, Part 5 – Departmental Services January 31, 2024, | Columbia, Md. | by Randy Robinson. Missionary Deployment* - One of the most important functions of our church is to send people out to various parts of the world to share the gospel message, where that might not otherwise be possible. Both the General Conference and the North American Division maintain departments that care for the deployment of short- and long-term missionaries all around the world. **Religious Liberty** - Culture today seems to be all too willing to discriminate against people of faith, and often especially the Christian faith. The Religious Liberty Department stands ready to support those who are victims of this type of treatment. **Legal Services** - Unfortunately, the church needs legal expertise in a myriad of situations. In some cases a plaintiff may present a case that occurred locally, but wants to find the deep pocket and sue the entire world church. In other cases, individuals may bring false claims against the church that need a defense. And yes, in some cases a suit may be brought because of some wrongdoing. Whatever the case, the General Conference maintains a team of lawyers to provide expert advice in whatever the legal situation is. In addition, these lawyers are available to counsel with any church entity without charge. Continued next Sabbath.

**Bible Trivia** - Female judge mentioned in the book of Judges: **A.** Deborah **B.** Jael **C.** Miriam **D.** Ruth. See *Judges 4 for the answer*.
