**It Is Written** – The April 17 opening night of It Is Written's virtual, online evangelist series, got off to a rocky start as the media ministry's main platform was disrupted by a targeted and malicious cyberattack. This attack comes on the heels of a close call when tornadoes touched down just feet from the It Is Written headquarters in Collegedale, Tennessee, on April 13. We thank God for watching over the people and this ministry. "Hope Awakens" continues online TONIGHT, with host **John Bradshaw**, continues through May 16<sup>th</sup> at 7 PM each Sat, Tues, Wed & Fri. LIVE and rebroadcasted at 10 PM on our Facebook & Website home pages. Tonight's broadcast at 7 PM is "**Earth's Ultimate Remedy**". Please continue to pray for this online ministry outreach.

**Evergreen Digital Footprint Expands** - During this time of isolation we are still called to minister to others. The church is not a building, rather the people are God's church. Digital tools can be used in many ways to extend the church experience beyond the building and help those in our community who are struggling financially, spiritually, and emotionally. We continue taking the gospel message to the digital mission field and spread our message of hope and wholeness when it is needed most. We are working in the next couple of weeks to streaming LIVE to multiple platforms along with Facebook. We plan on adding You Tube, our website & again WFMJ soon. Podcasts and lesson studies on-line are planned still yet for VISION 2020. We are looking for volunteers to help with these projects. Please call Mark Sitch if you have interest in volunteering. **#MinistryDoesNot Stop**

**EvergreenAdventists.Org** - Has been updated with a bulletins and sermons page. All streaming videos and bulletins are posted, and it will tie in with Facebook video. There is also a NEW sabbath school page under ministries where you can watch, listen or read the weekly lesson study. Check it out, we are still updating through Vision 2020!

**He Will Carry Us Through** - "I know this is God's church. He will absolutely care for His people. It may be uncomfortable and uncertain from our perspective. But I trust in Him to carry us through."

Randy Robinson, NAD Treasurer
