AWR Offering TODAY — Commander Liam controls his country's military, and to protect his family, he recently hired a modern-day witch to keep him safe. After he started listening to Adventist World Radio's (AWR) "Unlocking Bible Prophecies" series, the witch told him, "that woman you're listening to has magic more powerful that mine — It gives me a strange sense of peace I have not felt before. How can I receive messages too?". God is using AWR's many broadcasts and platforms to bypass harsh governments and hostile cultures to beam the love of Jesus directly into homes and hearts. TODAY, partner with AWR in this vital ministry! Just mark your tithe envelopes "AWR" or visit awr.org./give. Thank you.

<u>Carbohydrates</u> - are largely misunderstood and often become the target of fad diet plans. Join **NAD Health Ministries** on **March 18** as we learn what our body does with carbs, which ones have health benefits, and how to identify the good, bad, and ugly. We will also work on SMART goals to apply the principles we learn. SIGN UP for the Joy of Eating Club to join the live session. Go to nadhealth.org/healthyyou/joyofeating/club

<u>Financial Wellness</u> - On March 16 and 18, tune in to— "Pursuing your Financial Freedom" sponsored by Adventist Retirement and presented by Empower Retirement. This webinar will discuss steps to achieving financial wellness. Plan participants budget, manage expenses, and reduce debt. REGISTER, go to https://adventistwebinar.empowermytime.com/#/
